

Private Equity Real Estate – Internship Program

Chenco

Opportunity for highly motivated individuals with exceptional potential to join one of the leading Chinese-operated real estate investment firms in the United States. With its unique business philosophy, Chenco Group (“Chenco”) sponsored some of the most successful real estate operating companies and established a private equity fund management platform. Since 1991, Chenco has sponsored value-add real estate private equity funds totaling over \$35 billion USD in asset acquisitions and dispositions.

Chenco seeks Interns to assist its Taipei team with all aspects of day-to-day business operations. The Interns will receive broad-based exposure to the full spectrum of real estate private equity. Support responsibilities include, but are not limited to: data collecting, market research, periodic fund performance report drafting, fundraising material preparation, and post investment management. Applicants must have strong interpersonal abilities, good teamwork spirit, and dynamic verbal and written communication skills in both English and Mandarin. Prior real estate experience is not required, but non-industry applicants should have strong analytical and quantitative skills.

Qualifications

- Graduate students/ 3rd-4th year university students in related major, business or finance a plus
- Part-time internship, but should be at least 16 hours per week
